

RISE Delaware™ Update: HB 330 (Funding) Passed the Senate Unanimously on June 30, 2024

Hi SEBC Observers and other friends,

Many of you may already have heard - HB 330 (increased funding for Medicare Supplement) passed the Senate by a unanimous vote yesterday afternoon. As Senator Brian Pettyjohn the floor manager said, that action concludes the passage of the package of bills from the RHBAS.

HB 330 along with the cost containment bills (HB 375, 376, and 377) now go to the Governor. The Governor has publicly said (e.g. in his veto message on HB 282 which as you will recall the General Assembly voted to override) that he approves of these bills so we expect that he will sign them and they will become law.

This is an amazing way to end the legislative session. All the bills that have passed this session (HB 281, HB 282, HB 330, and HB 375-377) make for a grand slam by Rep. Paul Baumbach in the ninth inning to win the game for RISE Delaware and all of you!

Mary
